

CL4250UFDID/O

## CARACTERÍSTICAS

Split Climate® intelligent cooling system revolutionizes Sub-Zero's already-superior preservation capabilities, keeping food even fresher for longer

ClearSight® LED lighting system fully illuminates the interior and reduces shadows.

Sleek stainless accents trim the interior, matching the sophistication of the exterior

Touch control panel is conveniently located for easy access at the tap of a finger

Night Mode optimizes the interior lighting based on the detected ambient light, reducing the brightness by 90% in dim environments

Lift the base of the flip-up dairy compartment to store taller items on the shelf below

Delivers fresh, filtered water through an internal dispenser located discreetly within the refrigerator

Filtered ice is ready on demand; activate Max Ice Mode to temporarily increase ice production

Wi-Fi enabled for convenient remote access using your mobile device or smart home system

Position adjustable door bins at various heights to accommodate assorted items

Sub-Zero offers an industry-leading full two-year warranty on appliances, along with a full five-year sealed system warranty
