

CL4250UFDID/S

CARACTERÍSTICAS

Split Climate™ intelligent cooling system revolutionizes Sub-Zero's already-superior preservation capabilities, keeping food even fresher for longer

ClearSight™ LED lighting system fully illuminates the interior and reduces shadows

Sleek stainless accents trim the interior, matching the sophistication of the exterior

Touch control panel is conveniently located for easy access at the tap of a finger

Night Mode optimizes the interior lighting based on the detected ambient light, reducing the brightness by 90% in dim environments

Delivers fresh, filtered water through an internal dispenser located discreetly within the refrigerator

Activate Max Ice Mode to temporarily increase ice production

Lift the base of the flip-up dairy compartments to store taller items on the shelf below

Position adjustable door bins at various heights to accommodate assorted items

The base of the expandable freezer basket conveniently slides out of the way, offering customizable storage for taller items below

Wi-Fi enabled features provide remote access from your mobile device

Stainless-steel exterior and tubular or pro handles to match other Sub-Zero, Wolf, and Cove products

Sub-Zero offers an industry-leading full two-year warranty on appliances, along with a full five-year sealed system warranty and a limited twelve-year sealed system warranty

ACCESORIOS
