

CL3050W/O

CARACTERÍSTICAS

Store reds and whites in separate temperature zones that keep wines at proper serving temperatures, within one degree of setpoint

Offers any-occasion-146-bottle capacity

Full-extension wine racks provide easy access to standard-size bottles, half bottles, and magnums without agitating others

Touch control panel is conveniently located for easy access at the top of a finger

UV-resistant glass door shields wine from harmful light

Inventory tile system aids collection organization

Wi-Fi enabled features enable remote control of independent temperatures zones, provide important door-ajar notifications, and assist with remote service diagnostics—all from your mobile device

Accepts custom panels for an integrated look within cabinetry or stainless-steel accessory panels and handles to match other Sub-Zero, Wolf, and Cove products

Sub-Zero offers an industry-leading full two-year warranty on appliances, along with a full five-year sealed system warranty and a limited twelve-year sealed system warranty
